Enthusiastic Web Developer & Creative Graphic Designer

About Me:

I am a passionate and versatile professional with a proven track record in front-end development and graphic design. My commitment to creating visually stunning and user-friendly experiences sets me apart. Leveraging a keen eye for design and a knack for turning complex ideas into elegant solutions, I thrive on challenges that demand creativity and innovation.

Education:

Bachelor of Science in Computer Science (Expected Graduation: 2024) Federal University of Agriculture, Abeokuta.

National Diploma in Computer Science (2018 – 2020) Federal School of Statistics, Ibadan.

Skills:

- **Front-End Development:** Proficient in HTML, CSS, JavaScript, and modern frameworks such as React and Vue.js. Adept at crafting responsive and intuitive user interfaces that elevate the overall user experience.
- **Version Control:** Git, GitHub
- **Back-End Development:** Node.js
- **Database Management:** SQL, MongoDB, Firebase
- **Graphic Design:** Extensive experience in graphic design using industry-standard tools like Adobe Creative Suite. From concept to execution, I bring ideas to life through compelling visuals, branding, and illustrations.

Professional Experience:

Graphic Designer,

Livestock Industry Foundation for Africa, Ibadan (2020 till date).

Freelance Web Developer Self-Employed

- Worked with a diverse range of clients to create custom websites and web applications tailored to their unique needs and branding.
- Developed a dynamic, data-driven dashboard for a local non-profit organization, enabling them to track and visualize their impact, leading to increased donations.
- Designed and built a visually appealing and user-friendly portfolio website for a local artist, resulting in a significant increase in art sales.
- Collaborated with a startup to build a prototype for their web-based platform, securing additional funding for further development.

Languages:

English (Fluent)

Interests:

Outside of web development, I am an avid hiker and amateur photographer. I enjoy capturing the beauty of the natural world and exploring new trails.
